

Cal Kellogg to Host Raahauge's Pheasant & Chukar Hunt on December 15th

I'm pretty darn excited. Why? Because I'll be hosting a hunt at my favorite Norcal pheasant and chukar club this December. That's right I'll be a Linc Raahauge's Pheasant, Chukar And Sporting Clays Club on Saturday, December 15th. I'll be bringing a bunch of prizes to the event and owner Donna Raahauge and her staff will be providing a tasty BBQ lunch!

Donna's club consists of 2,400 acres of flat fields and rolling hills just a short drive from Dunnigan, Ca. On a blue sky day when a pheasant erupts at your feet and flies off against a background of golden hills you'll wonder if you didn't take a wrong turn and end up in the legendary pheasant grounds of South Dakota!

I've hosted a number of fall and spring chukar hunts at Raahauge's and they've all been very successful. We have a lot of laughs, big fun and everyone take's home some great eating Birds.

Raahauge's birds are healthy fast fliers that provide excellent table fare. Best of all Raahauge's has a resident bird cleaning staff, so all you need to worry about is shooting straight and how you'll prepare those birds once you get home! If you'd like more information about the event or if you have any questions about any aspect of Donna's operation, give her a call at (530) 724-0552.
