EVENT DESCRIPTION

This event is designed to create a fun atmosphere for the advanced and beginner level shooter while raising funds for our student-athletes. We offer events both days which allows all shooters of every level to come one or both days for whatever events are of interest.

For a sneak peak into the Main Event, come by Saturday for Prelim A&B or participate in the Super Sporting and/or Sub Gauge events. Main Event on Sunday will bring a fun, challenging course for all shooters. Including additional opportunities at SS and Sub Gauge.

THE PROGRAM

NorCal Mavericks Athletic Development is a non-profit organization, founded in 2010 with the vision of offering elite baseball and softball training to serve our community and the surrounding areas.

Our mission is to help develop young student-athletes who honor the traditions of sport and to encourage community involvement and leadership.

NorCal Mavericks has a state-of-the-art indoor baseball and softball training facility. Athletes have the opportunity to train in an environment normally found only at High Level Baseball Complexes. The most current training and teaching aids available are used to instruct the proper fundamentals needed for success.
