

History of the Orchard Hospital Foundation....

Over the past several years, the Orchard Hospital Foundation's mission has been to provide financial support and promote Orchard Hospital as an integral component of our rural community's health care system. Since day one, the Foundation has strived to make their mission a reality. They have been able to inspire the community to give time, treasure and talent for the benefit of health and wellness in our community.

Every day, Orchard Hospital Foundation members strive to make sure Orchard Hospital patients receive nothing but excellent care. Over the years they have only been able to make this possible by the generous donations of community members and organizations. Please come out and support our exciting new event!

"Come out and show your support for this FUNdraiser"

All proceeds go towards continuing to provide community medical services.

Grand Raffle prize is a 3 night stay at Caesars Palace in Las Vegas, airfare included!

OR a Beretta A400 Xtreme Camo Shotgun!!!
